## **WESTON SWIMMING**

Weston swimming is lead by four strong, enthusiastic and well qualified coaches and a dedicated Board runs entirely by volunteer parents that truly care about the swim program to produce successful and fast swimmers.

Weston swimming welcomes swimmers from age 6- High School and helps mold them to be strong and fast, while having fun at the same time. Our program runs from the end of August- mid March for the SC season and **April 8-July 18th** for the LC season. We encourage all our swimmers to participate in the meets offered each season. This helps them understand competition and team unity. We offer practice M-Th for the 8 and under group, Mon-Fri for age group I, and Mon-Sat for age group II, III, and seniors.

This Long course season we are very excited to introduce a CSCS certified trainer to work with our older more competitive kids in a dry land work out program. We believe this is a vital component to swimming. It helps strengthen the core and prevent injury.

Weston swimming is a a program that has been constantly developing and growing over many years through the dedication of our amazing and talented coaches and board members. As a result, we have developed a very strong core of fast swimmers that compete with some of the best and fastest swimmers in CT. We are always looking for new and excited swimmers to join our team. If you would like more information on the Weston Swim program please contact one of our new Co-Presidents: Lexie Proceller, [lexiep@optonline.net](mailto:lexiep@optonline.net) or Anne Lowe, [alowe3@optonline.net](mailto:alowe3@optonline.net).
